

CELEBRATE TEMPRANILLO

Tempranillo occupies more than 75% of the vineyards in **Rioja**

Rioja's cool growing conditions produce fruity, well-balanced wines with moderate alcohol, making them easy to pair

Major tempranillo regions include Spain, Portugal, USA,
& Australia

Over 500,000 acres worldwide

Tempranillo is derived from the word *temprano*, which in Spanish means "early", due to its early ripening and harvesting before other red grape varieties
